This mocha minx is none other than **Skin Diamond**, a sexy surfer chick who loves nothing more than a big fat dick! She strolls down to the beach to catch some waves, but when the surf's not up, our cocks still are when she peels off her bathing suit and skinny-dips in the calm lagoon! While most girls pack suntan oil and snacks in their beach bag, Skin packs a purple dildo to entertain herself with. She entertains us too—fucking herself 'till her pussy goes!

HAPPY FLAPS

HIGH SOCIETY 21

It's said that a best friend reaches for your hand, but touches your heart. Blue-eyed brunette **Capri Anderson** and **Shyla Jennings** couldn't agree more. Except they'd probably change "heart" to "dick mitten" or "stench trench." A best friend knows when you're down and knows just what kind of dildo to cram in your jam-hole to pick you back up. Capri knows that slamming the plastic prick in her friend's clam is really just another way of saying "I like you." Tonguing your friend's clit until she squirts poon-stew on your face means "you're special to me." Licking your friend's asshole while dildo-fucking her until her butt lips grab ahold of your tongue and nearly rip it from your mouth—now that's just being nasty!

"I'm going to wrap you around my lil' finger!"

SHAUNA SAND'S FILTHY HARDCORE SEX TAPE REVISITED!

Former Playboy Playmate
**Cums Clean For
HIGH SOCIETY!**

By ROB PEREZ

PHOTOS COURTESY OF VIVID CELEB & RAVYN C

IT'S BEEN MORE THAN TWO YEARS SINCE THE RELEASE OF *SHAUNA SAND EXPOSED*. DURING THAT TIME, SHAUNA SAND-LAMAS HAS RARELY SPOKEN PUBLICLY ABOUT HER INFAMOUS HARDCORE SEX VIDEO. NOW, FOR THE FIRST TIME, IN HER FIRST-EVER FULL-LENGTH INTERVIEW ON THE SUBJECT, SHAUNA REVEALS TO *HIGH SOCIETY* MAGAZINE HOW THE RELEASE OF HER MOST INTIMATE MOMENTS IMPACTED HER LIFE. THE FORMER *PLAYBOY* PLAYMATE ALSO DISHES ON THE HANDSOME MEN SHE'S BEDDED—PAST AND PRESENT—including her strained relationship with ex-husband LORENZO LAMAS, her brief, but sexually-satisfying, fling with *GOSSIP GIRL* actor CHACE CRAWFORD, her critical views on the current crop of PLAYMATES GERMINATING OUT OF THE *PLAYBOY* MANSION, AS WELL AS HER RECENT ARREST FOR ALLEGED SPOUSAL ABUSE. WHILE ARRANGING THIS EXCLUSIVE INTERVIEW WITH US, MS. SAND-LAMAS SET NO PRECONDITIONS, NOTHING WAS OFF THE TABLE, AND *EVERYTHING* WAS FAIR GAME. THESE DAYS, SHAUNA, A SEXY 40-YEAR-OLD MOTHER OF THREE, STILL TURNS HEADS AND HAS EVEN SNAGGED A MUCH YOUNGER HUSBAND, LAURENT HOMBURGER, 14 YEARS HER JUNIOR. WORD ON THE STREET IS THAT THERE ARE STILL SEVERAL SIZZLING VIDEOS OUT THERE ON SHAUNA, JUST ACHING FOR RELEASE. IF THIS BANGING, BANKABLE BOOTY ON SHAUNA DOES IN FACT EXIST, YOU CAN COUNT ON US TO DO OUR VERY BEST TO PLUNDER IT, BECAUSE QUITE UNDERSTANDABLY, HORNY MEN EVERYWHERE CAN'T GET ENOUGH OF THIS DELICIOUS, BLONDE BOMBSHELL. WHO CAN BLAME US!

HIGH SOCIETY: Happy birthday, Shauna! How did you celebrate your 40th birthday?
SHAUNA SAND-LAMAS: My dad drove up with my two half-brothers. They're kind of the same age as my kids, but they're my kids' uncles. It was cute. We just went to the steakhouse and we had a family dinner.

HS: Are you looking forward to enjoying your forties?

SSL: No! [Laughs] I don't know. Time goes by too fast, especially when you have kids. You want the time to go a little bit slower. The sex tape [Shauna Sand Exposed], I did that two years ago, but it seems like six months ago.

HS: You certainly don't look 40.

SSL: No, no. I don't look it at all. I'm really fortunate I look like I do. I go out with my kids and people think my kids are my sisters. My husband is 14 years younger than me.

HS: Would you consider posing nude again in *PLAYBOY*?

"MY BODY LOOKS THE SAME, IF NOT BETTER, THAN WHEN I FIRST POSED FOR *PLAYBOY*."

SSL: Sure! They've asked me [to pose], but I've been out of town or have been busy, but my body looks the same, if not better, than when I first posed for *PLAYBOY*.

HS: I remember buying my first issue of *PLAYBOY*, primarily because you were in it. You're one of the most beautiful Playmates ever!

SSL: Awww, thank you. I feel the Playmates from my time

were much more beautiful than the ones [featured] now. They had a lot of charisma, a lot of sex appeal that you couldn't buy, that you couldn't get with plastic surgery. You were born with it or you weren't.

HS: Does sex get better the older you get?

SSL: No, it's always been good. [Laughs]

HS: Regarding the sex tape, Shauna Sand Exposed, which Vivid released two years ago, how did that affect you personally? Were you very upset by its release?

SSL: I was, yes. It's been odd, because no one talks about it in front of my face, but I know people talk about it behind my back and say mean things about it.

HS: Why did you eventually decide to give your consent to its release?

SSL: Because I don't like going to court and dealing with lawsuits. It was just easier to settle. It wasn't like I had never done anything [wrong]. I had already done *PLAYBOY* and posed nude. So I had naked pictures everywhere. So it wasn't like I was anonymous before making the sex tape.

HS: Did you ever watch the tape that Vivid released?

SSL: I edited the tape and I put music to it. I had to add subtitles to it because it was mainly in French. So I did, yes.

HS: Are you still in touch with your ex-boyfriend, Antoine Berlier, who appeared in the sex tape with you? What was his reaction when he found out the tape was released?

SSL: He wasn't happy, and I haven't spoken to him since.

HS: How did your family and friends feel about the release of the tape? What was their reaction?

SSL: They weren't happy, but they got over it. There was an initial shock, but then it goes away.

HS: Your ex-husband is Lorenzo Lamas. What was his reaction to your sex tape?

SSL: He wasn't happy, but he's never happy with anything! [Laughs] What else is new?

HS: Did you and Lorenzo ever make a sex tape?

SSL: No, just pictures. We really didn't have video back then.

HS: A quote from the Huffington Post said that you had made "several sex tapes." True?

SSL: After Lorenzo, yes, before [Lamas], it was just pictures.

HS: Any chance those tapes might be released?

SSL: I hope not.

HS: Do you have those tapes in your possession?

SSL: Well, you know, unfortunately my cell phone has been stolen many times and they weren't there, so who knows. It's hard to control everything.

HS: Please clear up a few rumors for me. It was reported that you cheated on Lorenzo with his then-18-year-old son, A.J. Lamas. Is this true?

SSL: False. He used to come visit me and stay with me when I was in Malibu. They [the tabloid press] just used that. It was actually, probably Lorenzo that sold that ridiculous story, so he can [screw] with his son to [the] *Star* magazine to promote that show they had on E! *Leave It To Lamas*.

HS: What is your relationship like with Lorenzo [Lamas] today?

SSL: I don't have a relationship. I have a text message relationship.

HS: Is it true that you and [Gossip Girl actor] Chace Crawford had sex?

SSL: True.

HS: May I ask how you two met?

SSL: I met him at a Pepperdine University party at a club when he was 18.

HS: Were there instant sparks?

SSL: Yes.

HS: *Are you still in contact with Chace?*

SSL: No, I haven't been [for] a couple of years. There were sparks right away and he asked if he could call me, and I gave him my phone number. He called me on Christmas to wish me a Merry Christmas and he asked if he could see me when he came back from Texas. He's just very sweet. I told him—he was a student at Pepperdine—[to go] to these agencies to go do acting and get into it, because I told him he'd be great.

HS: *So, in a way, you're partly responsible for Chace being the star that he is today?*

SSL: I would say so, in a way, yes. I will take full responsibility. Absolutely. I told him where to go, I sent him all over. I told him what to do.

HS: *So I'm getting the impression that you like younger men.*

SSL: Now I do, yes, [but] before I didn't because Lorenzo was 14 years older than me.

HS: *Regarding your alleged arrest for spousal abuse, is it true? Did you beat your husband Laurent Homburger?*

SSL: I should've. [Laughs] I was [arrested]. Both of us were, but it was ridiculous. There were no charges [filed], but we both went to jail and it was a nightmare. I've never been so traumatized in my life.

HS: *Are you two separated at the moment?*

SSL: We're together, but he's very jealous and he doesn't understand; he's just young.

HS: *Lorenzo recently remarried. Have you ever met his new wife [Shawna Craig] and, if so, what's your opinion of her?*

SSL: Not much.

HS: *She's [Lorenzo Lamas' new wife, Shawna Craig] 24. Do you think there's really true love there?*

SSL: There's never true love with Lorenzo.

HS: *The rumor is that Lorenzo took his new wife's name, Lorenzo Lamas-Craig, because he feels you've damaged his name and its reputation.*

SSL: [Laughs] He damaged it way before I did, I didn't damage it. [Laughs] I kept his name alive.

HS: *What projects are you currently working on and where can we see you next?*

SSL: I work a lot in France. I'm going to do a French TV show in New York, and I have something else lined up for another reality show here that I can't talk about right now because we're about to sign the contract.

HS: *In closing, what would you like to say to the readers of HIGH SOCIETY?*

SSL: Enjoy every moment of life and to just love.

STARRING: AIDEN ASPEN, AMY BROOKE, BROOKLYN JADE AND LILY LaBEAU WITH CUCKOLDS JT SANCHEZ, THE MASK, JIMMY BROADWAY AND CHAD DIAMOND AND FEATURING SHANE DIESEL
DIRECTOR: SHANE DIESEL **STUDIO:** DIGITAL SIN

The word “cuckold” was brought to us by those crazy French, originally “Cucuault,” referring to the cuckoo, which has the curiously aggressive habit of laying eggs in another bird’s nest.

How far we’ve come. The word doesn’t just apply to the bird anymore; these days it’s much more common a reference to men whose wives are out fucking other men. In this case, that is taken to an extreme since this isn’t just some other guy: this is Shane Diesel, a professional cocksman blessed with one of the most legendary pipes in all of Pornoland.

These four very beautiful birds—**Aiden Aspen**, **Amy Brooke**, **Brooklyn Jade**, and **Lily LaBeau**—all do their men “wrong” and do it right in front of them. For most guys, seeing a thick slab of black meat pounding your woman’s once-tight slit is not something you joyfully look forward to, but a couple of these men actually thought it might be a good idea. How wrong they were!

Aiden and JT have been together a couple years and they get on great, but there’s one thing she loves that he just doesn’t have: a big, black cock. “Just because I don’t have a baseball bat doesn’t mean I’m too little,” he protests, but she already has two hands on Shane’s freight train and he’s going to park it in her depot for as long as he wants.

She tells hubby to shut up and watch and begins sucking Diesel’s enormous log, taking breaks only to kiss her pouty-faced husband. She gets on her back, legs spread wide and pussy ready for darkening. Despite the enormity of his prick, Aiden is so wet that Shane is able to

Cuckold cockface JT can't believe his beady little eyes as wife Aiden takes on the tenebrous tusk of legendary cocksman Shane Diesel.

enter her easily. Her moans quickly turn into high-pitched whines as she places a couple of fingers on her clit and shakes them back and forth as Shane slides in and out, showing no regard for the tightness this young woman is losing forever.

As much as he can't stand the sight of what is happening, Aiden won't let JT leave and he sits there motionless as his bride's cunoodle is plundered relentlessly. Aiden's moans of pleasure are punctuated only by JT's goans of envy, as the

huge shaft drills his bride's pink. JT looks closely. "Oh, that's gross," he laments. "That's just rude!" He learns what rude really is when his spouse begs Diesel to splatter his white seed in her mouth. He lays it in loudly and then she pushes it out onto her lips.

Amy isn't shy about her love for Shane's huge cock, going so far as to ask her man to wear a black mask and hold a Diesel cock replica in place of his own. Eventually, Shane shows up and the masked husband is left to watch, an eerie

Insignificant Other: JT's "honey do list" includes watching his wife take a cum-soaked facial.

Digital Sin

Who Was That Masked Man? This putz wearing the mask distracted us so much that we almost missed noting that porn jizz bucket Amy Brooke has gone from blonde to brunette.

scene given the expressionless of the mask. Contrastingly, Amy is quite talkative, anxious with passion that has been building in her loins. She begins sucking Shane's cock, as her husband observes from every possible angle.

His face is right there when Amy decides to make it especially crowded in her cooch, anxiously wrapping her legs around Shane's while shamelessly pushing her shaved hole down onto his slugger, the confusion of her husband's eyes showing through the holes in his mask. When she

gets banged doggie-style, hubby's there to hold her hand and even to help spread her open for the big man's railing and she begs Shane to expand her hole like some Stretch Armstrong doll.

Shane turns her around and pummels her hard in doggie, working her up into a squirt, then immediately re-enters and works her pussy over in a way that would please few husbands. But this masked man is loyal to the end and watches as Amy cums explosively again and again before Diesel

dumps a huge load onto her face and into her mouth. Selah!

Brooklyn's hubby, Jimmy, doesn't only condone cuckolding, he actually brings his lady over to Shane's place to give his wife a little chocolate surprise. Given the opportunity to fuck Shane with her guy's permission, there is zero hesitation. Brooklyn goes from handholding to jerking Shane's cock into her mouth in no time flat. Jimmy thinks maybe he's going to get a little action, but no dice. Brooklyn's lips wrap around Shane's girth, but the beauty doesn't even attempt to deep-throat the incredible dong.

Hubby is left with his little dick in hand as Brooklyn opens

for Shane's business and she is clearly excited about the change of pace, settling back on the couch as Shane gets comfortable developing her hole expansion, so much so it immediately works her up to a squirt. Diesel deadpans and then gets back to work plowin' the mainland.

Eventually husband Jimmy has little to do but watch and see as this capable stud repeatedly gets his girl off. As Shane bangs her from behind, Brooklyn thinks she's in another city and has basically forgotten that there is anyone else in the room. It's just her, the cock, and the sound of her screams of passion. Finally, husband Jimmy rests his cheek

Good Grief: God-awful groom, Jimmy, takes a gander as the Diesel Destroyer bores its way into his beloved's sacred axe wound.

on his wife's ass and watches in disbelief as Shane's bar slides in and out of Brooklyn's wet gash. Like the other lovelies, this brunette is given a protein snack for her mouth at the end and she squeezes out every drop onto her face.

Chad says he just can't cum until he sees the lily-white skin of his wife against that of a well-hung black man. "I just want to see the darkness engulf you," he says. It's as simple as that. Finally they call in Shane from the front desk and suddenly **Lily** takes over, tells Chad to shut up, and watch her get fucked by a big, black cock.

It's not what he's been hired for, but Shane doesn't mind

fulfilling a fantasy now and again. He makes fun of the little, pink cock of Lily's husband as he eases his fingers into her panties and gets a feel for the white girl's wet pussy. The honky even lays his prick on the table, eliciting laughs from Shane and his wife. How's a guy suppose to compare to Diesel? Chad watches in awe as his wife sucks Shane's massive member, slobbering on it, cooing over it, taking full advantage of the fantasy come to life before her. She stops, spits, then immediately gets back to work on the big stick.

Lily gets up on the desk, spreads her milky thighs, and her pink taco is suddenly the home of dark steak as Diesel rings her bell again and again as her wide-mouthed husband watches, hand on his pedestrian penis. Lily screams and yells, discovering the ecstasy that up until now only existed in her mind now well formed and rock-hard in her puss. Lily cums like a fleshy earthquake.

It's the first of many orgasms and Lily's satisfaction is such that she won't fully understand its affects for days, but the immediate impact has her emotionally confused.

Lily's quim, perfectly shaved and prepared for the camera, quivers and shakes throughout the repeated reaming. She rides Shane to a creamy finish, releasing what has to be one of a dozen orgasms, then it's Shane's turn to pop his wad. It's the face that gets the paste and Lily takes it with a sexy sneer. With hubby jerking in the background, she finally allows him to release in the trashcan. "That's what I think about your cum," she tells him.

ORING BLOWOUT 100% ANAL

You can call her feisty or vivacious, but the best word to describe **Ferrera Gomez** is sassy. The anal-loving Latina feels like a leaky balloon if she doesn't have something plugging up her butthole at all times. Even with two horny fucks she picked up in a bowling alley bathroom, she still relies on her favorite buttplug to keep her keister content. Of course, a few squirts of hot cock snot up the ass is a nice treat, too. Maybe one day, Ferrara admits, she'd like to see what it feels like to be fucked in the pussy. But she's in no hurry for panty-hamster penetration. Not when she can take it up the toaster and have massive ass orgasms that leave her shuddering with back-door delight.

ALLIE HAZE

THE HIGH SOCIETY INTERVIEW

PORN VALLEY, CA—WHILE ALLIE HAZE MAY LOOK LIKE THE INNOCENT GIRL-NEXT-DOOR, SHE'S ACTUALLY ONE OF THE MOST VORACIOUS, SEXUALLY DRIVEN XXX PERFORMERS WORKING TODAY, LUSTFUL QUALITIES THAT IMMEDIATELY CAUGHT THE ATTENTION OF HARDCORE POWERHOUSE VIVID ENTERTAINMENT. NOW, AS VIVID'S BRAND-NEW CONTRACT GIRL, ALLIE JOINS A LONG LIST OF LEGENDARY VIVID FRONT WOMEN, IN ADDITION TO MAKING HISTORY BY BEING TAPPED TO PLAY THE ROLE OF PRINCESS LEIA IN THE SOON-TO-BE-RELEASED *STARS WARS XXX* PARODY. HELMED BY THE ADROIT AXEL BRAUN AND TEEMING WITH STUNNING SPECIAL EFFECTS, *STARS WARS XXX* IS RUMORED TO BE ONE OF THE MOST DAZZLING AND EROTIC PORN EPICS EVER MADE.

BEFORE BURSTING ON THE XXX SCENE AND RISING TO THE LOFTY HEIGHTS OF GORGEOUS VIVID GIRL, ALLIE WAS SIMPLY THE HOT GO-TO GIRL DIRECTORS CHOSE WHENEVER THEY NEEDED A YOUNG, BUT SEXUALLY ADVENTUROUS, PERFORMER. HAZE'S BAD-ASS PERFORMANCE AS A CUTE, LEATHER JACKET-WEARING PROBLEM BABE OPPOSITE ERIK EVERHARD IN *VINCE VOUYER'S UNLEASHED: CUM GLAZED 2* EARNED HER RAVES AND HAD MANY INDUSTRY INSIDERS CONVINCED THAT SHE WAS DESTINED TO BE THE NEXT GONZO SUPERSTAR. HOWEVER, ACCOMPLISHED ROLES IN SEVERAL NEW SENSATIONS "ROMANCE FILMS" SHOWED OFF ALLIE'S EXCEPTIONAL ACTING CHOPS, PROVING THAT THIS GIRL COULD, IN FACT, "ACT" WITH THE BEST OF THEM. WHETHER YOU LUST FOR ALLIE'S DIRTY BAD-GIRL CHARACTER OR ACHE FOR HER GLAMMED-UP, PORNO-PRINCESS PERSONA, ONE THING'S FOR SURE, EITHER WAY, SHE'LL ALWAYS WIN YOU OVER!

HIGH SOCIETY: *Did you enjoy Exxxotica [Chicago]?*

ALLIE HAZE: Exxxotica was such a wonderful experience and I can't wait to do it again. I was so excited to be there and to be able to host a party for both the industry and fans. The show was packed! Every time I was on the floor I was moving non-stop and that is one of my favorite parts of the conventions. Getting to mingle and chat with everyone is so enjoyable, and my fans are freaking amazing!

HS: *Your favorite moment?*

AH: The party I got to host with Sunny Leone and Phil Varone [former Skid Row drummer and PLAYGIRL Centerfold]. It was so fun to mingle and dance with all the fans and I can't wait to do it again!

HS: *Did you make any new friends?*

AH: Some of the amazing people I met [that] I can now call friends would be Lisa Ann, Inari Vachs, and it was a joy to finally meet Jenna Haze. It's always a blast to hang with my buds from the industry.

HS: *What is it like being the new Vivid contract girl?*

AH: Wow! I'm still speechless and honored to be a part of such an amazing company. It's like one big family and I am so excited to be a part of it. I can't wait to see all the amazing projects I'll get to do for them. So far, I've been in *Star Wars XXX* as Princess Leia, which was a blast. My next movie is going to be directed by B. Skow and it's going to be a fan stopper and I can't wait to show off the new things we have coming.

HS: *What was your reaction when you got the call that Vivid wanted to make you their new contract girl?*

AH: I was so overwhelmed and honored, I didn't know what to think. Part of me thought it was a joke, but as the process went on, it was so amazing to see how much confidence they had in me representing their company.

Interview by Rob Perez

PHOTOS COURTESY OF VIVID, NAUGHTY AMERICA, BLUEBIRD FILMS, BRAZZERS, VINCE VOUYER'S UNLEASHED & SMASH PICTURES

HS: *How old were you when you realized the power of your sexuality?*

AH: I didn't really discover a lot about my sexuality until [I entered] porn. I guess it helped me release my inner beast; who'd have thought? [Laughs]

HS: *When did you decide to become a porn star?*

AH: I think I finally realized that the adult

"I have never done a gang-bang, but it is something that peaks my interest, so all I can say is just wait and see!"

business was for me when I did my first live show for another company and for the first time I got to talk to my fans. It was such an awesome experience.

HS: *What is the best thing about being a porn star?*

AH: Personally, I love the interaction with my fans. Each day it amazes me that little ol' me from the Inland Empire community of Southern California has a fanbase of truly amazing people. Also, the adult industry has taught me to be open sexually and it has also given me a self-confidence that I had not had before.

HS: *What's the worst thing about being a porn star?*

AH: The stereotypes that lead people to believe that we are such horrible people for what we do. As I stated before, porn has taught me so much, not just sexually, but about myself, in general. All we do is provide entertainment and do things everyone does behind closed doors. We just do it openly; we aren't bad people because of that.

HS: *Where would you rate yourself on a scale of 1 to 10?*

AH: I'm not one to talk about myself, so I will leave that up to you guys.

HS: *What is your best and worst physical feature and why?*

AH: Well, to this day I have been known for my all-natural features and big bottom. Personally, I like my butt. It's squishy and fun to hold on to—you know what they say, "more cushion for the pushin'." As far as what I don't like, hmm, I would have to say my appendix scar or tattoo, but I guess they create character.

HS: *Are you a very dominant or submissive person?*

AH: I play both sides. It's better that way and it gets my juices flowing.

THE FUCK FACTS

Birthday: May 10, 1987

Height: 5' 7"

Weight: 135 lbs

Measurements: 32A-25-36

Movies: *Star Wars XXX* (Vivid), *Cum Glazed 2* (Vince Vouyer's Unleashed), *Little Part of Me* (New Sensations), *Net Skirts 3.0* (Girlfriends Films), *Naughty Rich Girls 2* (Naughty America)

HS: *If you could change one thing about yourself what would it be?*

AH: I would like to get more comfortable with anal sex. [Laughs] It's something I really want to do.

HS: *When will you have anal sex on film?*

AH: I would like to one day, but it's something that I'm not quite comfortable with yet. I find it very sexy and I hope to get to

that point, but I think there is so much I haven't experienced, why rush it.

HS: *Have you ever participated in a gang-bang on film or in person?*

AH: No, I have never done a gang-bang, but it is something that peaks my interest, so all I can say is just wait and see!

HS: *Do you masturbate often?*

AH: Not really, but that's only because I'm lucky enough to get enough of it when I want it. I love to play!

HS: *Do you fantasize when you masturbate?*

AH: I can't give you all my secrets!

HS: *Do you watch porn regularly?*

AH: Honestly, not really, but when I do, I

“I think I’m a true bisexual. I am definitely split right down the middle. [Laughs] Think about it, there’s more to choose from.”

like storyline movies with a little bit of romance. It's more realistic and it really turns me on. I do love being a voyeur.

HS: *What sexual fantasies have come true for you since you started working in porn?*

AH: I love being a voyeur, it gets me all hot and bothered. It builds a lot of sexual tension, which makes me really wet. Porn has given me a chance to have a lot more of those experiences.

HS: *Describe the hottest scene you've ever done.*

AH: The hottest girl-girl [scene] I have ever done so far has been with my girl Lexi Belle in *Girlfriends 3*. There was so much sexual tension at first because we wanted to have sex together for so long that it created such great chemistry; man, we never wanted to stop! My best boy-girl scene involved a threeway that I did for Vivid with Mr. Pete and James Deen. I felt like they both wanted me so bad, it was like a game of tug-of-war and I loved being stuck in the middle.

HS: *Name a girl in the business that you would most like to have sex with, and why.*

AH: Lexi Belle is always a favorite of mine, but if I had to choose someone I haven't gotten a hold of yet it would be Lexi Swallow. Boy, those boobs of hers are just calling me. I can't wait to give her the time of her life.

HS: *Describe your kinkiest sexual fantasy.*

AH: This is a hard question because I've been able to experience so many, doing porn. I like to fulfill others' fantasies more, and, in turn, I'm fulfilling my own.

HS: *Have you ever had a one-night stand?*

AH: Yes, I have had a couple, actually. [Laughs] I recently went on a sex spree, for like a month, but don't tell anyone.

HS: *Are you a true bisexual or do you prefer one gender?*

AH: Honestly, I think I'm a true bisexual. I am definitely split right down the middle. [Laughs] Think about it, there's more to choose from. [Laughs]

HS: *Describe your first sexual experience with a girl.*

AH: The first time I was with a girl it was just a make-out kiss in the bathtub. The

sparks flew high that day and I knew right then that women were always going to be a part of my sexual life.

HS: *What kind of girl attracts you?*

AH: I have dated women in the past and it has always been a fun and interesting experience. I don't have a real preference in women, but my favorite part of a woman is big boobs. I love big boobs because I don't have them and they are so fun and beautiful.

HS: *Who would you cast in your ultimate dream-girl movie and why?*

AH: Wow! This is a fun one and it gets me wet just thinking about it! Some of my favorites are Lexi Belle, for sure. I love that girl, she makes me giggle and gets me wet. Next, my lineup would be Teagan Presley, Lexi Swallow, Charlie Laine, Sunny Leone, and Lisa Ann. Maybe this doesn't have to be just a dream.

HS: *What's one sex toy you can't live without?*

AH: I'm not a huge fan of toys, all the time, but if I had to choose one I would say anything that vibrates; what girl doesn't like a

"I love being a voyeur, it gets me all hot and bothered. It builds a lot of sexual tension, which makes me really wet."

Hitachi [Magic Wand]. The real deal is always my Number One choice, though.

HS: *Where is the weirdest place you've ever had sex?*

AH: [Laughs] I had sex on a golf course on the 9th hole. He laid me right next to the pin.

HS: *What's one superpower you wish you could have?*

AH: I would want to be able to fly!

HS: *Name a male and female celebrity that you would most like to have sex with and why.*

"I had sex on the golf course on the 9th hole. He laid me right next to the pin."

AH: *My favorite males have always been Patrick Swayze because of the movie Dirty Dancing. It still gives me chills; God rest his sexy soul. Second would be Harrison Ford. I can never get enough of Indiana Jones. The lady that does it the most for me is Sandra Bullock; she is one amazing lady!*

HS: *Which movies of yours should HIGH SOCIETY fans look out for in the future?*

AH: *Star Wars XXX* is going to be the movie to see this year, so come September get ready to geek out and watch me get naughty through the galaxy as Princess Leia. Don't forget you can always check out vivid.com for any more of my upcoming flicks!

HS: *What does the future hold for you?*

AH: Hopefully, a long future with Vivid and the creation of some amazing adult movies that both critics and fans will enjoy for a long time. No matter what the future holds though, I am thankful for all the opportunities I get, and I am so grateful for the support of my family and fans!

HS: *Do you have a website, Twitter, or Facebook page where your fans can reach out and interact with you?*

AH: On *Twitter*, @alliehaze and *Facebook* look for me at Allie Haze. I will also be opening an Allie Haze store and my website and blog will be coming soon, so look for announcements on *Twitter*, *Facebook*, and vivid.com.

HS: *Anything else you'd like to say in closing to the HIGH SOCIETY readers?*

AH: Thanks so much for reading and if you ever want to know more, don't be afraid to ask. Check me out on vivid.com!

RUBBED THE WRONG WAY

ASIAN HANDJOB ADDICT SPOUTS OFF!

Story by PETER THOMPSON
Illustration by WAYSHAK

Any conversation regarding the priceless pearls of Asian culture is obliged to include cuisine, music, philosophy, and the fine arts: jade figurine carvings, fan paintings, wood-block prints, bronzes, silk textiles, and most importantly, the Asian Handjob Massage.

Whether it's the restorative, therapeutic rub-and-tug or the archetypical table shower with full-body soap-up and hose down, the spectrum of Asian massage therapy for the ailing penis is both vigorous and regenerative. The art of the handjob has developed over four thousand years, from the basic one-handed knob job to the advanced core techniques of backrubs and ballsack collapse.

In present day America, massage parlor punters can skulk out the front door of their local jack shack—or any of the estimated 5,000 establishments nationwide—with their heads held high, their nutsacks fully drained.

A masseuse, classically trained in the ancient art, uses a hands-on toolbox of touch, tits, and tickling to stimulate meridian pathways, energize pressure points, and ultimately release squirting sacks of penis chi. In her buttery soft hands she holds the primordial secrets to health, longevity, and the best time \$60 can buy—short of a Third World donkey show.

While Southeast Asia has bequeathed improvements in architecture, agriculture, and engineering to benefit modern humanity, the Asian Handjob Massage is the region's most profound cultural gift.

With so many chemical, biological, and environmental stressors in people's lives today, it's reassuring to know that almost anywhere you go, all you need is the Yellow Pages and a nominal entry fee and a relatively good-looking Asian broad will happily rub you down and squeeze you off, no questions asked, few answers understood.

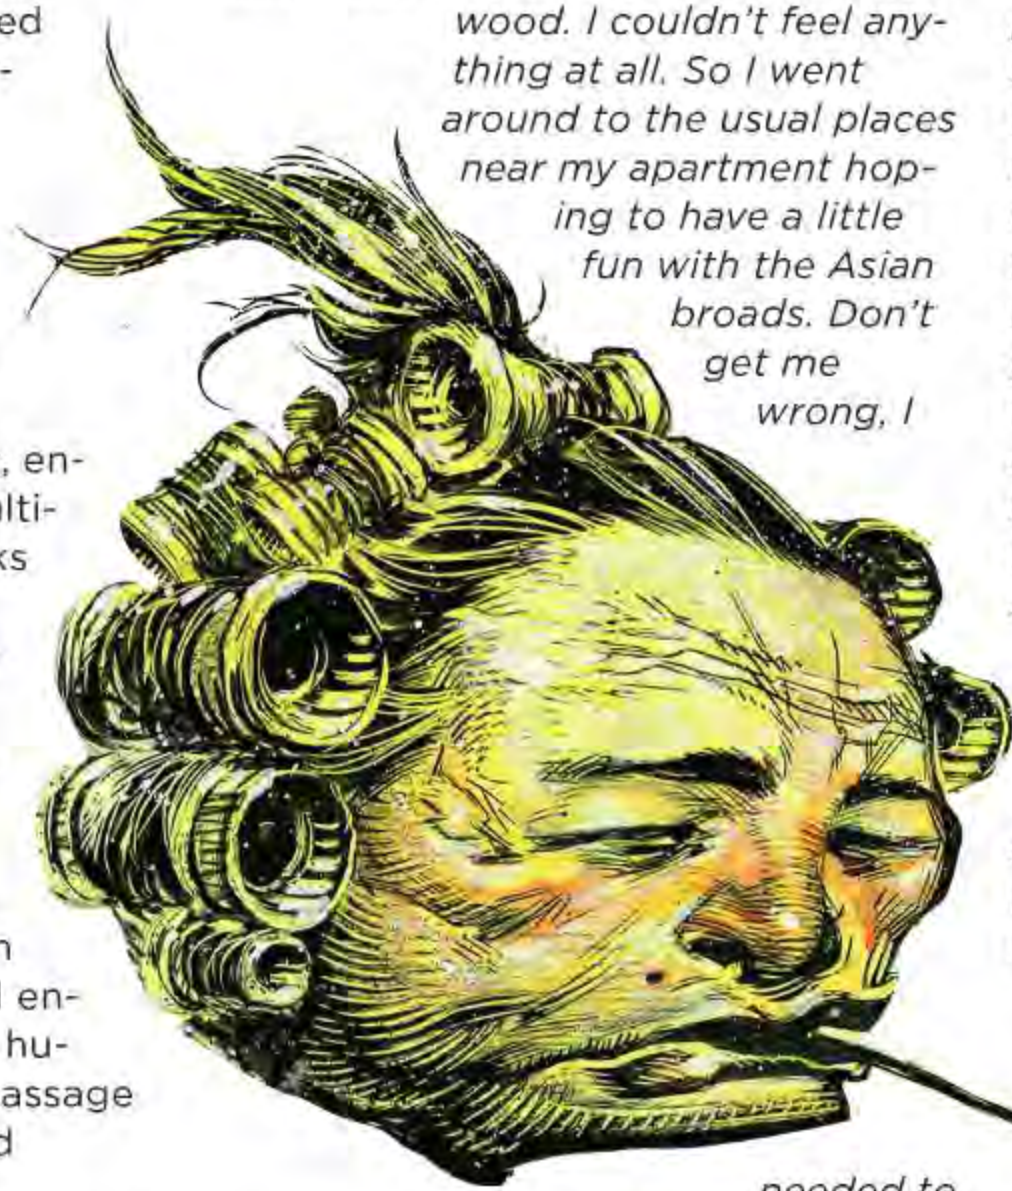

A few of the guys from work are staging an intervention for a co-worker who's got a pretty nasty Asian handjob habit going with a

suspect girl. I go for a massage every now and then, maybe twice or three times a week; okay, I'm there every night, but I've got things under control. The second mortgage on my house was for a pool. I never got around to getting it installed. My dick kept popping up at lunchtime and I was so stressed out that I blew through the cash getting blown by ham-handed Asian whores. I fell for this sweet young Thai girl who walked on my back and had a scar on her stomach.

Her name was Ho. Her breath stunk of clams.

Some people like to live in denial. They think they're not addicted, that they could quit anytime and they'd be all right. Sure, once I went four times in one day, but that was because the first lady didn't finish me off. I was on these new antidepressants and they totally deadened my

wood. I couldn't feel anything at all. So I went around to the usual places near my apartment hoping to have a little fun with the Asian broads. Don't get me wrong, I

needed to get off and I had practically worn the skin off my dick trying to get it done myself, but it was no use. These meds just made me even more depressed. It was like the story about the Three Little Pigs and I was the pig who had built the dickhouse out of brick. It was like trying to milk a fucking carrot. Those Asian girls rubbed, tugged, blew, and sucked as hard as they could, but my dick would not pop off. They sweated and cursed me and finally kicked me out after my dick started bleeding. "Take yole bloken penis and get the

hair out of heel!"

Last night, I'm lying there under the modesty sheet smelling that nasty stir-fried chicken and pork dumplings they're always cooking and I could hear the women arguing over whose turn it was to face off against my impossible penis. There's nothing like the feeling of lying naked in your tiny massage cubicle while some Asian skinny spreads her hard, tight butt cheeks over your face and masturbates your cock while you tongue-fuck her filthy Third World gutter until your balls balloon and you blow like a lotus packed with dynamite. That was May, my Thai lady with the homemade abortion scar, she was like a penis physicist. She knew precisely how to squeeze my shaft to get maximum ejaculate thrust so that after the initial moon shot, lanky white strings of jism would ooze out of her sweet hand-pussy. She beat those antidepressants that day, and every day after for a full year. It cost me a lot, but it never cost me my dignity—maybe because I never had too much of that in the first place. But, I'm smart; I let them make the first move, so I don't get pinched by the one-time. It's rare that the cops will do an all-out sting at a pickle polishing place, but if they happen to raid the place while you're there, just turn over onto your stomach and try to find a towel. They [police] usually target the management instead of the customers, but law enforcement is fickle and a tricky business. I know a lot of cops who stop off for an "old fashioned" after a long shift. Every guy I know is into the occasional Asian handshake.

Like any curious college kid, I had messed around with

Ramen noodles for years. They're good, but then I graduated to ordering take-out. I

met some people in college, maybe you can call them the wrong crowd, I don't know, but they were doing Karaoke like once or twice a week. It was nothing, just some classic '80s rock ballads. Of course, you're always looking for the next thing. Karaoke was fun, but it was the gateway to the paid rub for me. After a drunken night singing Journey, we all piled into the car and went looking for that exotic fix: Asian Handjob Massage. I had heard of it before, but I had

never tried it. I didn't want to look like a wuss, so I went in and got my first Asian hand-fuck when I was 19. She was in her late-thirties and reminded me of my ex-girlfriend's mom. Once I laid down on the mat, she took off her robe, revealing a thin negligee. I could feel her pussy lips suck on my back like a sea creature. It got me so hard just thinking about sticking my prick inside her tight little hole, I had no idea what was going to happen. She gave me a 20-minute back massage and then slapped me on the ass.

"You been here before?" she said in a sing-song voice.

I nodded, yes. It was all the code you needed to know in order to get into massage parlor heaven.

She made eyes at my cock, watching it grow with every throb. "Oh, you vely bad boy," she said, playfully smacking it around like a cat with a toy. "He getting bigger!" she whispered. She made a stern face in the direction of my penis and looked it in the eye. "You no glow anymole! You too big. Be good boy!"

This chick was a loon.

She oiled up her palm and clamped down on my cock. I was sure I was going to shoot goo any minute. Then there was the sound of a bell. She ex-

there was some strange, exotic scar extending from her bellybutton halfway across her hip. Unwilling organ donor? Panda Bear attack?

She made soup-sucking noises as she blew me. Then she took off her underwear and hopped on my peg.

"Bouncy, Bouncy, Bouncy," she said every time she went up and down on my dick.

It only took five or six more bounces before I erupted. I practically shot the rubber off right into her cunt, but she just kept bouncing, even though I was done.

"Okay," I said, finally.

It started to hurt. My dick was going down fast and the jizz was spilling out of the rubber. I wanted to yank her off and throw her against the wall. Finally, she stopped and brought me a hot towel. She milked my penis into the towel and cleaned the crust off my balls like she was swabbing an antique.

I got dressed. She waited for me by the door with her hand out. I had no idea how much this had cost. I gave her a \$20 tip. Her face got ugly. Well, uglier. She hissed at me. I expected the room to fill with ninjas. "It's all I have," I said.

She said something about an ATM and me coming back. I couldn't un-

"Oh, you vely bad boy," she said, playfully smacking [my cock] around like a cat with a toy. "He getting bigger!" she whispered. She made a stern face in the direction of my penis and looked it in the eye. "You no glow anymole! You too big. Be a good boy!"

cused herself and got up. I heard her talking in the small foyer. She yelled down the hall and another girl yelled back. Then another girl joined in the yelling. This was crazy, I thought, I've got to get out of here before something goes wrong. I thought about putting on my clothes and making a break for it. Then she came back in.

She looked at my penis and pouted. "You go bad boy to sad boy!" she cooed.

This time she took a condom out of the nightstand and slipped it on my dick with her mouth. I felt so horny, I thought I might pop the condom with just the throbs of my dick. She took off her top and there were two saggy, middle-aged, National Geographic-style tits with giant gum drop nipples on the ends. Again,

derstand, but I was already horny again. She walked me down the hall and slammed the door when I got outside. I ran to my car and peeled out of there. Total cost: \$40 for the half hour massage and \$20 for the "bouncy bouncy".

I went back a few hours later. A different girl answered the door. "You come heel befoal?"

Prices have certainly gone up since that first rub & tug. They now average about \$60 for a half-hour massage and about \$40 for a hand release. A blowjob will cost around \$100, and fucking is usually \$150, but it varies by region and by girl. It's wise to make nice with the *mamasan* in charge—cash, drugs, tacky clothes—it assures that you'll get the

best-looking girl available. Some places do a brothel-like cattle call and let you pick, but most run on *mamasan*'s orders. Most of the girls working at massage parlors are there paying off some insane human smuggling fee they could never practically extinguish without turning tricks or serving as quasi sex slaves.

It's always a dickhead's market at the handjob shack.

However, seeing the girls and getting to know them really does a lot to put a human face, or rather, *hand*, on black market debt bondage and

the wacky world of human sex trafficking.

Finding the perfect handjob experience can be a kinky cultural safari: an exotic, highly-addictive hunt for Asian beaver that can turn into a Zen-like quest. A man will ride to the top of the highest floor of an elevator building, search the emptiest office park, and brave outright insult and rejection at the unloving hands of snooty "legitimate" massage joints and their hygienic professionalism in search of the ultimate tug job. The search for the hottest chicks willing to rub you raw can be a voyage of great self-discovery (I discovered I'm a dirty pervert!). The thrill of victory comes when you shoot your filthy ropes of cock snot sky high after a relaxing massage.

I arrive at the intervention. I'm the first one there. It's in the local Emu Lodge.

The lodge has the faint odor of old cigar smoke. Leathery brown-salmon chairs and lots of exposed wood, including massive beams in the high ceiling, reflect in the shine of the light-brown hickory floorboards. You

because he makes the girls jerk him off twice. While most guys go for the prettiest, youngest girls, Manny seems to like the ugly old ones best. It's like he prefers the ugly ones. They help him suppress his guilt and dilute the shame of his addiction. Making these grandma geishas jerk him off two times does something to

his face in mid-air, blowing them both to shit. All the family got back was a single foot salvaged from the downed wreckage.

Gregg starts by making the girls say stupid shit, like "Hey Joe, wanna bro?" or "Me just Asian sruthoe!" He purposely tells them that he wants to jerk off on their tits and then just

One woman who answered the bell up in Hesperia was so burnt-out looking that Buddy turned his head and vomited, then walked right in as though nothing had happened.

can almost hear the old hunting yarns unraveling like history in the stained glass panels. The hunter's lodge-style room adds a whole new dimension to the conversation. All that's missing are some wall-mounted trophy vaginas and maybe a pair of hands with long fingernails painted some ridiculously cheap-looking color.

Manny is the first guy to arrive. He's a tall, slim clusterfuck of personal problems with a serious case of OCD. He counts the number of orgasms he has every day and writes them down in a notebook. He lives by some strange formula wherein nothing is right with the world unless he's cum the correct number of times. I think he uses one of those German Enigma machines to figure out his number for the day. Manny is also a weird one

reinforce his warped idea of manhood. He's turned what should be a pleasurable hobby into a pissing contest with himself. He jerks off until he's disinterested in the whole idea of getting a massage and then goes and gets another massage. Manny still lives in his mother's house—in the same room he grew up in as a child. He likes to see how much it'll cost to have butt sex with the girl. He plugs this number into his wacked out formula, as some sort of barometer for his cum total for the day. It usually costs him about \$300 to convince the girl to have anal with him, and then he doesn't go through with it. Manny goes for two \$40 handjobs, first announcing to the girl that he has already jerked off before coming in. I think Manny could use some of my antidepressants, but then the idea of him not being able to cum would scare the living hell out of him and might ruin him for good.

Gregg arrives next. Gregg hates Asian girls. Actually, he hates all Asians. He's always making nasty Asian jokes and he says that he thinks they look like retarded rats. Yet there he is at the jack shack every day of the week just like the rest of us. Of course, Gregg has an agenda.

In 1945, his dad had been a navigator on a US Army B-25H Mitchell bomber. They weren't exactly sexy planes—they flew pretty slow and were actually better suited for strafing raids than altitude bombing. As navigator in that particular manifestation of the B-25, he was also in charge of loading and firing a 75mm cannon at the Japs. His plane was blown to bits over the Solomon Islands and he went with it. They say a Japanese Zero flew right into

when he's about to cum buckets, he blows an ugly rope all over their faces. I mean he releases his clench and busts his scrotal splatter right on their mugs, kamikaze-style, much to their disgust. Then he makes them say "Thank you." He usually gets slapped for facial strafing and on multiple occasions has had to run out of a massage parlor with his pants around his ankles, but he gets a kick out of it.

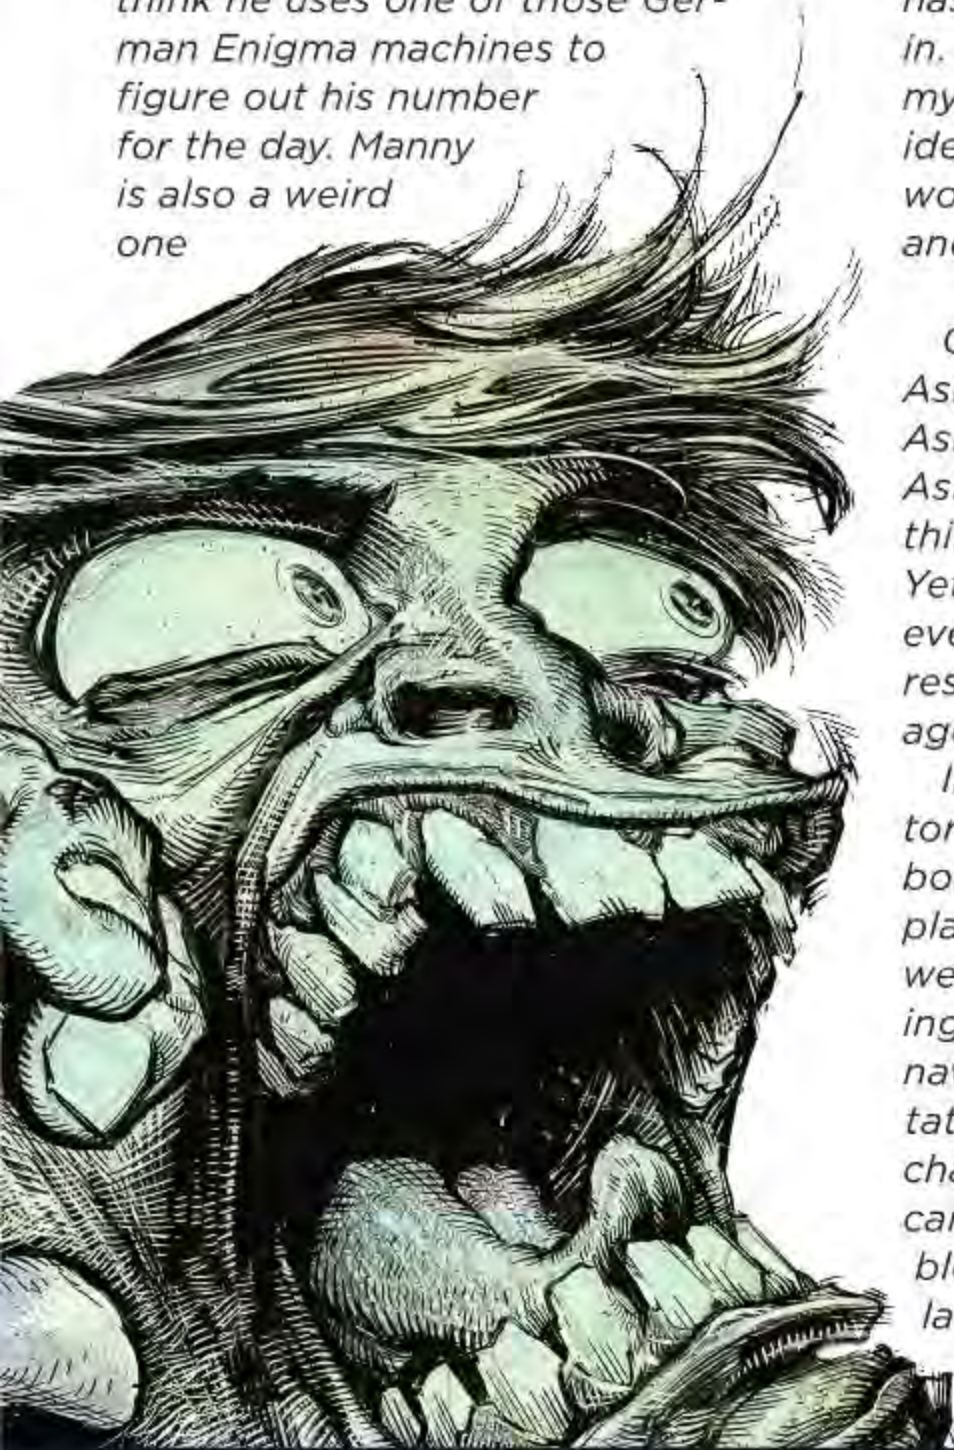

Gregg's a fun guy.

He loves talking shit to the girls while they towel off. You can say pretty much anything you want, so long as you smile. They usually don't understand much English, anyhow. "You're a filthy Asian whore with a mouthful of dick sores," he'll say.

After about five minutes of rub and tug and verbal abuse, a lot of girls start to get edgy. They check their watches or the clock and audibly exhale, like they're doing honest work. If you can hold out long enough, most will let you put your hands anywhere or stick their pussies in your face to speed things up. Some whisper ridiculous hot nothings in your ear like "I want yule cum hald sexy big boy," or some utter bullshit. This is your chance to wheel and deal. There's no set price for pussy, as a wage slave knows better than to turn down a buck.

A huge black man comes in next. It's our friend, Buddy. Buddy is one of those guys who will have to be removed from his house in a few years—through the wall. They'll have to come get him with a chainsaw and cut him out. Right now, he's about 5'6", 720 pounds—and he's still getting fatter. Today his gout has flared up.

"I've had more Asian hands on my

dick than a Mortal Kombat joystick," he likes to brag. Like Manny, Buddy likes the ugliest, fattest, nastiest cut-rate handjob girls for some reason. At the rare places that give you a choice, he'll ask if any of them [the girls] have visible scars. They usually all do, but he'll go with the gnarliest scar he can find. He'll pick a huge, round-faced chubby Korean girl with a scar that looks as though she had her appendix removed during a high-speed car chase with a skill saw and a pair of chopsticks, the resulting wound cleaned up and sewn back together by a Labradoodle.

Buddy's thing is being a repeat customer. Like the rest of us, he's gotten into serious financial straights because of his horndog hobby. He used to be retired, after working 25 years for the city. A few years ago, he had to go back to work just to support his handjob habit.

Buddy prefers the out of the way places. They have the nastiest girls who will do almost anything for a dollar to an obese black man. He has a whole address book filled with a dozen places he goes to regularly, depending on his mood. They all happen to be next-door to fast food restaurants. At one time, he knew every jack shack girl from Santa Monica to San Bernardino and beyond, up to the high desert girls who he said look like Eskimos with facial ringworm. One woman who answered the bell up in Hesperia was so burnt-out looking that Buddy turned his head and vomited, then walked right in as though nothing had happened.

Buddy himself has these knees that look like he's hiding bunches of grapes underneath them. Some girls refuse to touch him. He says his dick is three inches long. His favorite place is this joint out in Redlands, California,

are reflexology degrees on the wall in gold frames. It's a popular place because they've somehow arranged it so that Medicare is accepted for services rendered. It's a huge scam.

Not surprisingly, I'd shown up on his suggestion and had gotten a hell of a handjob from a Latina with long curly hair and a beautiful face. I wanted this girl so bad, I felt like a fool. She spoke perfect English and there was so much that she seemed to want to tell me, and I was so in love with the way she smiled, that I went to the mamasan after my time with her and asked if I could ask her out. The mamasan laughed and gave me her blessing for \$50. I picked her up that night and we went to the movies. She was very interested in American cinema and wanted to know everything about the country. She was from Uruguay and had come to the U.S. illegally. She had signed up to teach Spanish and the next thing she knew, she was living in the back of a massage parlor with six Asian girls eating rice and playing Mahjong.

We went to some art film with subtitles. We shared a popcorn.

She was sweating. "I had a really busy day," she said.

"I guess giving massages is a pretty good workout. That's how you stay in such great shape," I said.

She smiled. I didn't want her to be tired from her day. I wanted to sit

Our interventionee, Jake, arrived last. He was late because he was out getting a handjob. He was excited about this girl he had met named Ming.

Ming was the reason for the intervention. It wasn't Jake's handjob habit we were worried about—it was Jake. We all knew Ming. Every day, without exception, she dressed herself up like a present with all the trappings of a Geisha, but she was, in fact, a poisoned peacock. She was pushing 40. Age can be hard to determine with Asians, throw in some pancake makeup and low mood lighting and it becomes neigh impossible.

Ming's tits were brand-new fakies and she was always looking for an excuse to break them out. They

were like giant round mints jammed under a scrawny little chest. Her nipples were tight little pegs of pink.

Jake was describing how he liked to flick them with his fingers and grab onto both her tits.

"There is this perfumed layer of sweat behind her tits," he said. "It gets me so hot."

We didn't have much time. Poor Jake, he was in love with Ming. How could we tell him?

"You remember that guy, Patrick, who used to hang out with us?"

Jake shrugged. "That Asian dude? Patrick Lee? Whatever happened to that fucker?"

"You mean Patrick Ming," said Gregg, laughing like a hyena.

Jake's face turned pea green. Then he turned and promptly vomited all

"Take yole bloken penis and get the hair out of heel!"

near the 24 hour grocery store and Jack in the Box. The "tug-hole" palace was disguised as a "reflexology" clinic and the girls wore white medical smocks with nothing underneath. They looked legitimate enough. You went in, signed your name, and sat in the waiting room next to a giant sculpture of a molar with a cavity. Nobody's sure what this has to do with reflexology, but it certainly looked official. This is called finding a place that's "hidden in plain sight". There

there and make out with her. I kissed her cheek. She quickly turned around and kissed me back. I was in heaven.

She reached into the popcorn. I reached into the popcorn.

"There's an awful lot of butter in there," I said.

She shook her head. "No butter." It registered. Busy day. A greasy hand.

I ran out of the theater, stopped to clean my mouth with soap, and got a handjob on the way home.

over the floor.

Some guys get in too deep—way too deep.

Not me. I may take the bus to work after cashing in my whip for lusty Asian digits on my dick, but at least I'm not getting "manhandled".

We took Jake out to eat after he calmed down. We went to Charlie Chow's. I got a very strange fortune cookie that night. It said "Life is more than dog meat and bull semen."

It was my turn to vomit.

FIGHT

It's not often that all the Digital Playground Contract girls get together for one film, but when they do, it's sure to be one powerful effort and potentially one of the hottest films of the XXX year. Even more infrequent is when all five—**Jesse Jane**, **Kayden Kross**, **Riley Steele**, **BiBi Jones**, and **Stoya**—sit down together to do one interview. Logistically, it's as close to impossible as one thing gets. So when HIGH SOCIETY reached out to the power brokers at Digital Playground in the hopes of making this dream dialog a reality, naturally we were skeptical and prepared for the worst. To our utter amazement our request was granted, so we then skillfully went about assembling the sexy DP Girls at the sprawling HIGH SOCIETY Mansion in Hollywood to discuss Digital Playground's epic, new film *Fighters*.

Directed by accomplished lensman Robby D, *Fighters* is undeniably the most physically demanding and emotionally draining project the DP Girls have ever undertaken.

First, a little synopsis:

Jesse Jane and Kayden Kross play two beautiful passionate girls from opposite walks of life, who come together in a battle of lust and unyielding will to fight it out in a stealthy boxing match. Riley Steele plays Jesse's streetwise naughty sister and Stoya is Kayden's equally privileged best friend. BiBi Jones stars as the new girl in town who sleeps with Jesse's dad, creating even more friction. The intense physical sparring both in and out of the ring leads to some fierce sexual encounters.

Jesse Jane and Kayden Kross both underwent months of rigorous training in boxing and fight choreography for their roles. Jesse says

**Jesse
Jane**

FIGHTERS

Fighters was the hardest movie she's ever done. "I had to train for three months before we started shooting and gained some serious muscle weight. It took a lot of hard work and commitment, but it was worth it. I think this is the best thing I've ever done."

"I really felt strongly that this story needed to be told," says Director Robby D, "so often in the adult industry we get cast in a negative light with regard to the treatment of women. This story is about the empowerment of women and the ability for people, in general, to overcome obstacles in their lives and regain control. There is also a lot of hot dirty sex and some great catfights."

"I've never actually immersed myself in a role so deeply," says Kayden Kross. "Jesse and I had to undergo a physical and mental transformation for our characters to be authentic and I hope the fans like what they see."

We're positive the fans will love this film's 1-2 punch. With its sight set firmly on capturing another AVN, XBiz, and XRCO award for Best Feature Film, and definite acting nods for each of their leading ladies, *Fighters*, in our opinion, is the favorite to KO the competition and receive industry-wide recognition and nomination.

When we finally sat down with the DP Girls they couldn't have been happier and were eager to discuss the hard work each of them put into their roles, the fun they had on set, and all the sweaty hot sex they got to partake in.

**Kayden
Kross**

HIGH SOCIETY: Tell us about the film *Fighters*.

JESSE JANE: It's kind of based on the movie *Girl-fight* where a girl has family problems and learns to take her anger out through boxing. It's a very emotional and intense movie, that's so badass. Kayden and I trained three months for our roles; it was a very hard movie to make.

KAYDEN KROSS: It's basically the most awesome thing that has ever been released with a XXX rating.

RILEY STEELE:

Fighters is the best [film] we have ever put out on the market to date. It's something completely

different than anything we've produced. Once you press play, you won't be skipping through any of the movie because every scene is sexy, hot, moving, and nothing but top-notch quality.

BIBI JONES: It's a very intense movie. I don't think Digital Playground has done anything like this before. It's more about the acting and the drama than the sex scenes. Those are just a bonus.

STOYA: *Fighters* is an adult film, colloquially known as a porno. It stars Kayden Kross and Jesse Jane, and at some point they hit each other with boxing gloves. Basically, Digital Playground and Robby D. have

given the public the catfight scene we all really hoped would happen in *Top Guns*.

HIGH SOCIETY:

Describe for us your role in the film.

JESSE JANE: I'm the troubled girl that decides to learn to box to manage my aggression towards life. I'm always in trouble and finally find something I enjoy and eventually get pretty good at—eventually I find love with Scott Nails.

KAYDEN KROSS: I'm the lonely rich girl with the shiny boxing gloves and overly chiseled personal trainer.

RILEY STEELE: I play Riley, Jesse's little sister. Jesse gets in trouble a lot at school for fighting. I'm mostly trying to

stand by my sister's side.

BIBI JONES: I play a high school slut that fucks my enemy's [Jesse's] dad.

STOYA: I play Kayden's best friend. I'm alternately supportive and focused on my own weird sex triangles.

HIGH SOCIETY: Do you feel your role fits your personality or is it quite the opposite of whom you really are?

JESSE JANE: Well, for me the role was a complete opposite. I'm not an angry person, I'm very happy, and I've never had to go train so

DIGITAL DP PLAYGROUND

hard for something and gain so much weight [muscle, of course] to portray a character in my life.

KAYDEN KROSS: I do have shiny gloves and an overly chiseled trainer in real life, but I would prefer my character's wallet to be more like my own.

RILEY STEELE: This role was similar to me because of the relationship I have with Jesse in real life. Not that she's always getting in trouble, because you all know we're always causing a ruckus of our own; [Laughs] but I could emotionally attach myself to her and stand up for her in that way.

BIBI JONES: I think the role fits me perfectly. I'll fuck anyone's dad or just about anyone else, for that matter. [Laughs]

STOYA: Adult features are usually 20 minutes of plot, trying to tell a story that makes room for seven to 10 sex scenes. The characteriza-

tion is fairly shallow and we are usually playing archetypes. Most good stories are based on archetypes, actually. Terry Pratchett has this fascinating theory about there only being a handful of platonic stories in the world and all others being echoes of them.

HIGH SOCIETY: How much input did you have in creating your role?

JESSE JANE: I really didn't [have much input]. I learned a lot by watching *Girlfight* and studying real fights on how to get into this role. I had to dig deep and become a completely different person who I've never been before.

KAYDEN KROSS: Actually, I think I had a fair amount. When they were developing the script I think I said something to the effect of "I wanna be the spoiled rich bitch."

RILEY STEELE: Robby wrote this, as always, but this [depth of script] was something I've never seen from him before. I've never seen him put in so much and go as deep as he did in *Fighters*. These roles were not loosely based on our own personalities like *Fly Girls*. *Fighters* is something we all had to go deep for [to create] the characters we were playing.

BIBI JONES: I didn't have any input. They gave me the script and I loved it.

STOYA: Creating the character on screen and bringing her to life was my input.

HIGH SOCIETY: If you could be any of the other characters in the film, which would it be and why?

JESSE JANE: I loved my character. She was so awesome. I wouldn't want to be anyone else in this film.

"I'm gonna start keeping a 'Shit List' now that I have mad boxing skills to back it up."
—Kayden Kross

KAYDEN KROSS: Jesse's role was pretty bad-ass and would have been fun to play, but I think she did it better than I could have. It all worked out.

RILEY STEELE: Maybe Tommy [Gunn's role], but I don't know if I could open myself up as much as he did in that way—not right now, anyway. [Laughs]

BIBI JONES: I would want to play Kayden's role. She gets to be a spoiled brat that becomes a fighter and a bad-ass!

STOYA: I am usually quite happy with whatever Robby and Joone choose to cast me in.

HIGH SOCIETY: What was your reaction when you heard Digital Playground was making a fighting-themed adult film?

JESSE JANE: I was excited. I love anything physical, plus I'm always up for a challenge and playing anything bad-ass!

KAYDEN KROSS: I squealed, of course.

RILEY STEELE: I was thrilled. I love doing action films—and it was something we haven't gotten to do before.

BIBI JONES: I was a little nervous about it since I'm the new girl at Digital Playground and I wasn't sure if I was going to get beat up or not. [Laughs]

STOYA: Complete lack of surprise. Robby tends to draw from life and most of the male talent DP employs enjoy some kind of martial art as a hobby, so it's actually been a bit of a running theme. For instance, it was also a large part of the plot in *Web Whore*, my most recent release, which also features the lovely Kagney Linn Karter.

HIGH SOCIETY: Did you feel like you'd be up for this project? Were you nervous or excited about doing this film?

JESSE JANE: I was nervous that I wouldn't be able to pick up the moves and be strong enough to look like a real boxer, but with Ross and Brandon, I did. They're awesome trainers!

KAYDEN KROSS: Yeah, it was definitely one that required a lot of preparation. I was more worried about the various bruises and injuries I kept sustaining during training not healing before the actual shoot. I got very friendly with my chiropractor during that time.

RILEY STEELE: I was excited. I'm always excited to try something new.

BIBI JONES: I will never say no to anything. I'll try and do my best at

everything I do, but I'll admit that I was nervous for the two fight scenes with Jesse. She is rough.

STOYA: There has never been a Digital Playground project that I haven't been up for.

HIGH SOCIETY: How much fight preparation did you have to go through for this film?

JESSE JANE: Three months of training, two hours a day, and a crazy weight gain diet. Like I said, the hardest movie I've ever done.

KAYDEN KROSS: We put on some serious muscle weight. We [Jesse & I] kept exchanging notes on it. We were hungry every two hours.

RILEY STEELE: For me, the typical "routine" of prepping for a movie. [Laughs] But Kayden and Jesse did do a lot of training for this movie.

BIBI JONES: I trained extra-hard in the sack for my fuck scenes.

STOYA: So did I.

HIGH SOCIETY: What was the most fun and most difficult thing about making *Fighters*?

JESSE JANE: Well, the boxing, actually. I had so much fun sparring with Kayden, but the sparring was difficult. You don't realize how intense boxing is; it's a lot of cardio and taking real hits. It's not easy.

KAYDEN KROSS: Shooting the fight with Jesse, it was 100 degrees inside and the room was filled with bodies, and they had to turn off the AC for sound [clarity]. Then Jesse and I had to fight for real with the headgear on. Our makeup was running down our faces with all the sweat.

RILEY STEELE: The whole shoot was fun, it's always difficult—if it wasn't, you wouldn't be challenging yourself. But one of my fondest

memories was getting to work with Ramon for the very first time and he is now at the top of my favorite list.

BIBI JONES: The most fun was just being on a big Digital Playground set. I love them so much! The most difficult was being beaten up.

STOYA: The most fun was going through all of this with the girls; the most difficult part was getting it just right.

HIGH SOCIETY: Do either of you have any funny stories about the training or making of the film?

JESSE JANE: When Kayden and I finally got down to the big fight at the end of filming, it was over 100 degrees. We were shooting all day, already tired, and she [Kayden] wasn't feeling good, either. When we were done, I ran outside and just kept puking. [Laughs]

KAYDEN KROSS: When Jesse and I trained together, we kept apologizing every time we hit each other. We embarrassed the trainer.

RILEY STEELE: I think we all could say the last day, "Fight Night," was an experience! The boxing gym was so small and so damn hot. All the girls, with their make-up dripping off, the boys pouring bottles of water on their heads—their real heads, not their dicks. A little heat can't keep us down. [Laughs] The whole team stayed strong and we completed a movie so good you just have to see it!

BIBI JONES: I didn't train for the film because I wasn't fighting. I was pretty much a punching bag.

"I think the role fits me perfectly. I'll fuck anyone's dad or just about anyone else, for that matter."
—Bibi Jones

"The whole team stayed strong and we completed a movie so good you just have to see it!"
—Riley Steele

DIGITAL DP PLAYGROUND

STOYA: "Fight Night" was certainly something to see. It was an absolutely grueling experience for the girls fighting, but for us watching, it was the coolest thing in the world to be a part of!

HIGH SOCIETY: Did your male co-stars think you were up for the challenge and were they supportive?

JESSE JANE: Everyone was very supportive and helpful with Kayden and I. We really got good tips and a lot of people went out of their way to show us different [boxing] techniques.

KAYDEN KROSS: They all wanted to show us how much better they were at it than we were. It's a competitive business.

RILEY STEELE: Scott [Nails] kept giving me tips on how to stop the bleeding after a boxer suffers a cut, but I really think he just wanted to get close so he could look at my tits!

BIBI JONES: The only male co-star I was with was Tommy Gunn and we were just flirting the whole time. I don't know how much he cared about the role. He just wanted to fuck me. [Laughs]

STOYA: Ditto! [Everyone laughs]

HIGH SOCIETY: Are you all fans of boxing?

JESSE JANE: I was a little, but now I am into it a lot more.

KAYDEN KROSS: I am now.

RILEY STEELE: Yes, I'm a fan of all sports.

BIBI JONES: Maybe not boxing, but I do love watching UFC fights!

STOYA: Absolutely, I love it!

HIGH SOCIETY: Who is your favorite boxer, and why?

JESSE JANE: Muhammad Ali; he's a legend!

KAYDEN KROSS: Jesse Jane, because she gives sexual favors after she kicks your ass.

RILEY STEELE: Roberto Duran; he had "hands of stone."

BIBI JONES: Chuck Liddell, he's the fuckin' "Ice Man," baby!

STOYA: Floyd Mayweather Jr.; pound-for-pound he's the best in the world!

HIGH SOCIETY: Who would you say among your fellow DP contract sisters is the most naturally athletic?

JESSE JANE: Kayden, for sure.

KAYDEN KROSS: Probably Stoya, which is ironic considering her role in the movie.

RILEY STEELE: Stoya, hands down.

BIBI JONES: Stoya. She is so strong.

STOYA: I'm usually wary of this sort of question, but Jesse Jane is probably the most naturally athletic. She's always doing some kind of sporty thing. However, Kayden did work very hard to be prepared for her role.

HIGH SOCIETY: Who has the best body?

JESSE JANE: Riley.

KAYDEN KROSS: I'd say Riley.

RILEY STEELE: They all do! [Laughs]

BIBI JONES: Me! [Laughs] All the DP Girls are gorgeous.

STOYA: I find all of my contract sisters highly attractive in their own unique way. As to their level of hotness, it's a matter of personal taste.

HIGH SOCIETY: Tell me who you have sex with in this film?

JESSE JANE: I had sex with Scott Nails.

KAYDEN KROSS: Everybody. I can't remember who my scenes were with, though. One was Manuel [Ferrara].

RILEY STEELE: Ramon Nomar.

BIBI JONES: Tommy Gunn.

STOYA: I had sex scenes with Erik Everhard and Tony Ribas, separately.

HIGH SOCIETY: What is it about boxers, or boxing, in general, that is so sexy?

JESSE JANE: Their bodies are so hot, and they are bad-asses—they don't take any shit.

KAYDEN KROSS: It's extremely physical. The adrenaline rush from the close contact between two

bodies feels a lot like the rush I get from sex. Plus, it's fun to watch hot people punch each other.

RILEY STEELE: The determination, the dedication, and their sexy bodies.

BIBI JONES: Their ripped bodies and their sweat. I just want to jump in the ring and let them have their way with me!

STOYA: Frankly, I don't get it. Aside from the subconscious impulse to mate with strong men because their strength is an indicator of genetic fitness, I can't think of any reason that people find boxers attractive.

HIGH SOCIETY: Is there any one you can think of that you really want to beat up?

JESSE JANE: [Laughs] Yes.

KAYDEN KROSS: Yeah. I'm gonna start keeping a "Shit List" now that I have the mad boxing skills to back it up.

RILEY STEELE: Yeah, a few people. [Laughs]

BIBI JONES: Yes. I think it's obvious once you see the movie.

STOYA: I'm a lover, not a fighter!

HIGH SOCIETY: Why should everyone check this movie out?

JESSE JANE: It's the best thing out there and no one has done it before. And if you don't, Kayden and I will kick your ass! [Laughs]

KAYDEN KROSS: Like I said, it's pretty much the best thing ever. It's a real movie—and you can jack off to it.

RILEY STEELE: Because it's awesome, duh! Go see *Fighters* and get my Fleshlight or I'll come fight with you. [Laughs]

BIBI JONES: For the intense drama and acting!

STOYA: Because I said so!
